

**NOTICE OF EMERGENCY CHANGES
TO THE 2018 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Mike Fowlks, by authority granted in Section 23-14-8 of the Wildlife Resources code of Utah declare an emergency amendment to the 2018 Utah Fishing Guidebook. The following has been amended:

Spanish Oaks Reservoir (Utah County):

The daily bag limit and possession limit has been removed.

Spanish Oaks Reservoir will be drained this fall to allow repair of dam infrastructure. Low water levels will result in the loss of all fish.

Spanish Oaks Reservoir will be drained beginning October 15, 2018 to make necessary repairs and maintenance to the reservoir. The reservoir will not be re-filled until work is completed in the winter of 2018. Limits are being temporarily liberalized to allow anglers to harvest fish that would otherwise be lost.

This change is effective immediately as of September 20, 2018 and will remain in effect thru January 1, 2019. All other rules, established in the 2018 Utah Fishing Guidebook remain in effect.
